Dear SEIT2026 Contributors,

Congratulations on your manuscript acceptance for the **International Conference on Software Engineering and Information Technology Conference- SEIT2026**. Your research contribution has been **approved** following our peer review process.
Scribium SEIT | Conference Proceedings in India

Conference Details: The **SEIT2026** conference will take place **online** on **January 21-22, 2026**. This virtual format allows researchers worldwide to participate and share knowledge effectively.

Your Submission Status: Your paper has been accepted based on the evaluation criteria. The attached review document contains your paper identification number, which should be referenced in future communications. This document also serves as your official acceptance confirmation.

Publication Information: Accepted papers will be published in the Hinweis Digital Library upon completion of registration requirements. Selected presentations may qualify for consideration in expanded journal publications through Hinweis Science and Engineering (HSE)**, ISSN: 2583-9640**.

Required Actions:
1. Prepare your final manuscript using Microsoft Word format only
2. Include all content: text, figures, tables, and references
3. Complete author registration process

Registration Requirements: At least one author per accepted paper must register to secure publication in the conference proceedings. Complete registration information, including fees and procedures, is available at: https://seit.scribium.org/registration.html

Additional Documentation: The registration portal contains detailed information about copyright forms and final submission requirements.

We appreciate your research contribution and look forward to your participation in SEIT2026. Your work will help advance knowledge in Computer Science, Programming and Security domains.

Sincerely,

SEIT2026 Conference Organizers
